

8th May 2017

Dear Sir/Madam

We are hosting a Summer Fair in school in order to raise vital funds to support our children in the school. The fair is on Monday 26th June and we are hoping to gain the interest of as many parents and carers as we can.

We encourage the children to design and make their own games to sell at the fair to teach them about budgeting and enterprise.

We would be very grateful if you could consider a donation of a raffle prize to support us this year.

Many thanks

Mrs Louise Nicholson
Chairperson of the PTA
