

Friday 26th January

Dear Parents/Carers,

RE: e-Safety and awareness regarding our children

It has come to our attention in recent weeks that on occasion some of our children are receiving texts, messages, etc that could be deemed unkind or hurtful. Similarly they are receiving or sending messages at inappropriate times of the day and night.

We just wanted to point out to parents that this is happening and it may well be prudent for parents to keep an eye on the messages their children are sending and/or receiving.

The last thing we want to see is our children being treated unkindly whether it is at school, at home, or through technology/social media. Please feel free to contact school if you would like our support, or any information dealing with a matter of this kind. Similarly you can get information regarding this on our school website:

<http://www.firbeck.org.uk/page.php?p=esafety>

Below is also a list of support offered by individual phone companies in relation to parental controls:

<https://parentalcontrol.o2.co.uk/>

<http://www.vodafone.com/content/digital-parenting.html/>

<http://www.three.co.uk/hub/use-parental-controls-phone/>

<http://parentalcontrols-on.org/EE>

Please feel free to contact school to talk about this matter further.

Kind regards,

J Osprey
