

3rd September 2018

Dear Parents/Carers

As you know for the last few months we have been setting up a school Library. We are hoping to open the library in the next couple of weeks. We would really like the library to be open between 3.30pm and 4.00pm maybe three times a week (possibly a Monday, Wednesday and a Friday). These times will need staffing. If any of you feel you could help to staff the library between these times it would be great. I will compile a rota depending on how many volunteers we get.

The library is a great asset to the school and will hopefully encourage our children to develop their love of books and reading skills.

If you feel you could help please fill in the attached form. Thank you for your support.

Louise Burrows
Library Coordinator
