Dear Parents/Carers

Parental Behaviour on School Grounds

The leadership team of the school are aware of an incident that happened at the start of today on the school grounds. In order for us to make a decision on the appropriate actions to take, if any person witnessed the incident we would appreciate a written statement from you. These should be handed into our main school office.

We would like to take this opportunity to remind you that all parents and visitors, when on school grounds should demonstrate behaviours that are in-line with our parent and visitor code of conduct.

<https://www.firbeck.org.uk/page.php?p=conduct>

We will not tolerate anyone - parent, staff or visitor being spoken to in a disrespectful manner, sworn at or threatened. Such behaviours could result in adults being banned from the school site.

As a school, we know as parents you are loving and caring and will defend your child at any cost. However, this should be done in an acceptable manner and using acceptable language, while on school grounds.

If you have any concerns these should be raised with the school in the correct manner and through the correct channels.

If you have any further questions or wish to discuss anything related to the above please do not hesitate to contact the school.

Many Thanks

Firbeck's Senior Leadership Team
