

11th May 2021

Dear Parents & Carers,

As you are aware, the last year has been an unsettling one for many of us, particularly our children. On top of two periods of lockdown, Year 4 have experienced changes in staffing. This has unfortunately been out of our control, however we fully appreciate how frustrating this may have been for you.

After a period of thought and review, we have decided that the children would benefit in starting with next year's teacher sooner rather than later.

What this means is that instead of starting with their new teacher, Mr Bown, in September, your child will actually start this term. They will therefore have four terms together rather than the usual three.

Mr Bown is a highly experienced and effective teacher. He will be the Year 4 teacher with effect from 17th May. He will then continue with the children into Year 5, offering stability and consistency.

I would like to thank you for your understanding and your continued support. As always, if you have any questions, please don't hesitate to get in touch.

Yours sincerely

Mrs E Thornhill
Acting Head of School
